

2. English for children from 6 to 7 years

The elements of the alphabet are already inserted in the education of children at this age and they make their first attempts at reading and writing.

Again, the main focus is on games, paintings, colors and songs.

At this age, children learn both the alphabet and elementary written words in order to recognize written English in its most elementary form. The course includes learning using [the Direct Method System Direct Kids - Starter Level.](#)
